Flow: Our #1 seller since it's inception in 1996, the Flow is the ideal intermediate-to-advanced combo when it comes to rotational balance training and fun.

Zippy: Part of the Vew-Do line since 1990 and still one of our most popular, the Zippy is the ideal beginner board and rock combo. A must have for any shop.

Indy: The fastest board and rock combo in the entire line, this model is best for advanced riders looking to perfect aerial tricks and riding switch.

Sk8: Designed with the hardcore street skater at heart, the Vew-Do Sk8 is by far the board of choice for anyone looking to push the envelope .

Switchback: Hot Hot Hot! This newly introduced short board gets its engineering and karma from the hardcore surfers of the USA.

Long Board: Introduced to meet the demands of any long board surfer or skater, this limited edition model rides fast, smooth and turns like a dream.

Mini 101: Designed for "Groms" yet sturdy enough to handle "full-figured" parents, the Mini 101 provides basic fore and aft balance training and years of fun.

Zone Balance Pro: The complete 3-in-1 fitness system. The Zone is the first and only balance board on the market that converts from a teeter to a wobble and then a traditional balance board; making it worthy of Professional Athletes and Joeys worldwide.
